Dear Parent,

Summer holidays are here again to give us respite from the scorching heat. We hope that our children will enjoy their vacation time as well as hone their skills.

Children learn through experiences and play. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parent child bond.

Some things that you as a parent can do are:

- Take your child on a nature walk.
- Play simple games with your child.
- Make simple conversations.
- Involve them in little household chores.
- Recite a story to them.

NOTE - TRY TO CONVERSE IN ENGLISH WITH THEM.

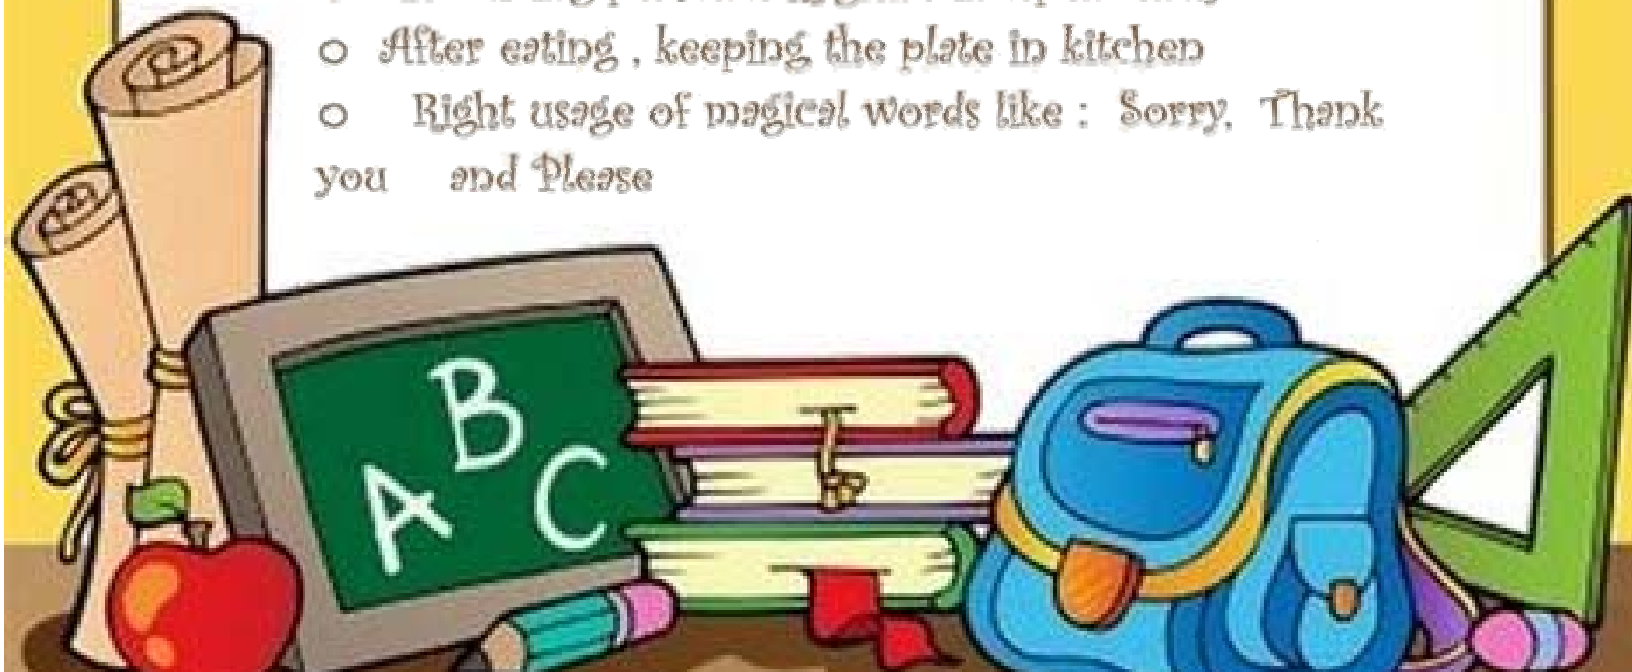

Mom and Dad during these vacations, please help me to become Independent, I want to learn how to :

- Button up my shirt
- Put on the socks and shoes
- Follow a routine
- Eat food on my own
- Pack my bag
- Read books

Help me imbibe these Social manners and Etiquettes please:

- Loving the younger ones
- Wishing and welcoming guests
- Conversing freely with visitors and relatives
- Keeping the house clean and tidy
- Speaking politely
- Helping you in the household chores
- Keeping things where they belong to
- Practicing personal hygiene independently
- After eating, keeping the plate in kitchen
- Right usage of magical words like : Sorry, Thank you and Please
